CHILD PROTECTION ETHOS

In Saint Conon's College we have a responsibility for the pastoral care, general welfare and safety of the children in our care. We will carry out this duty by providing a caring, supportive and safe environment, so that each child is valued for his or her unique talents and abilities, and can learn and develop to their full potential. Our Child Protection Policy outlines the action the school will take if abuse or neglect of a child is suspected and explains referral procedures within our school.

A copy of the policy may be obtained at reception
